## TESTIMONIALS

from The Knot

"What an incredible wedding venue! We hosted a small 40-person wedding, which fit perfectly in the barn with plenty of space for buffet tables and a dance floor. The cabins are adorable and cozy. Pet friendly was a big selling point for us so our two dogs could be by our side the entire time. The price of a full weekend rental is very affordable, basic amenities are included in every cabin/house and the entire property is perfectly manicured! My guests were raving about it the day after. A huge thank you for making our wedding day a dream!"

- Jen

"Camp Bluestone is one of the most gorgeous wedding venues around the area! Once we visited, we knew that this was where we wanted to get married. The views of the Endless Mountains are extraordinary, the on-site cabins bring a unique closeness to your wedding party and family during your wedding weekend, and the layout of the venue is open to so many possibilities!"

-Victoria

"So happy that we found Camp Bluestone to host our wedding. The grounds are beautiful, and it just has so much to offer! Everyone is super helpful and extremely friendly, such a special place! We will always recommend them when someone needs a place to stay or host a gathering"

-Samantha
